**MEMORANDUM OF UNDERSTANDING
BETWEEN
THE CITY OF BREA
AND
THE BREA MANAGEMENT ASSOCIATION
(NON-SAFETY)**

July 1, 2017 through June 30, 2018

This Memorandum of Understanding (MOU) is made and entered into by and between the duly authorized representatives of the City and the Brea Management Association (Non-Safety).

A. Recitals

(i) The parties hereto have met and conferred in good faith pursuant to the Meyers-Millias-Brown Act, Government Code Section 3500, et seq., and have reached agreement on changes in wages, hours and terms and conditions of employment.

(ii) The parties hereto have agreed upon the wages, hours, and terms and conditions of employment as set forth herein in order to encourage effective recruitment and retention of well-qualified employees and to foster and reward employees' potential, performance, professional attitude, morale and pride in work. The Brea Management Association (Non-Safety) employees hereby acknowledge these expectations.

B. Agreement

Now, therefore, the parties hereto agree as follows:

ARTICLE I – RECOGNITION

Pursuant to the provisions of City of Brea Employer - Employee Relations Resolution No. 06-62, the City of Brea (hereinafter called the "City") has recognized the Brea Management Association (Non-Safety) (hereinafter called the "Association") as the majority representative of employees in the bargaining unit, which includes full-time employees in the classifications listed in Exhibit A. The parties agree to discuss unit modification opportunities during the term of this agreement

ARTICLE II – NONDISCRIMINATION

The City and the Association agree that they shall not discriminate against any employee because of race, color, gender, age, national origin, marital status, sexual preference,

political or religious affiliations, disability, except as may be required for compliance with Federal or State law, or exercise of rights under the Meyers-Milias-Brown Act. The City and the Association shall re-open any provision of this Agreement for the purpose of complying with any final order of a Federal or State agency or court of competent jurisdiction requiring a modification or change in any provision or provisions of this Agreement in compliance with Federal or State anti-discrimination laws.

Americans with Disabilities Act

- A. Because the Americans with Disabilities Act (ADA) requires accommodations for individuals protected under the Act, and because these accommodations must be determined on an individual, case-by-case basis, the parties agree that the provisions of this Agreement may be disregarded in order for the City to avoid discrimination relative to hiring, promotion, granting permanency, transfer, layoff, reassignment, termination, rehire, rates of pay, job and duty classification, seniority, leaves, fringe benefits, training opportunities, hours of work or other terms and privileges of employment only to the extent necessary to reasonably accommodate an individual covered by the Act, who meets the minimum requirements (as defined under ADA) for the position, and who has notified the employer of his/her disability.

- B. The Association recognizes that the City has the legal obligation to meet with the individual employee to be accommodated before any adjustment is made in working conditions. Prior to disregarding any provision of the Agreement in order to undertake required accommodations for an individual protected by the Act, the City will provide the Association with written notice of its intent to disregard the provision, and will allow the Association the opportunity to meet and confer over modifications of the Agreement on a case-by-case basis. Failure to reach agreement shall not preclude the City from implementation.

- C. Any accommodation provided to an individual protected by the ADA shall not establish a past practice, nor shall it be cited or used as evidence of a past practice in the grievance/arbitration procedure.

ARTICLE III – SCHEDULING/HOURS OF WORK AND ASSIGNMENTS

Work Schedule Department Directors shall designate work schedules. The Department Director may alter the work schedule of an employee subsequent to the consideration of departmental workload, operational efficiency, and staffing considerations. The Department Director shall report any work schedule change in writing to the City Manager, where such change impacts a significant number of employees.

9/80 Work Schedule The City has implemented a structured, synchronized 9/80 work schedule. The structured, synchronized 9/80 work schedule shall consist of two (2) consecutive work periods containing the equivalent of nine (9) work days instead of ten (10) in a two (2) week period. Employees will work eight (8) days for nine (9) hours a day, and

one (1) day for eight (8) hours, for a total of eighty (80) hours in two (2) consecutive work periods.

Consistent with the City Rights Article, it shall be understood that the continuation of the structured, synchronized 9/80 work schedule shall be the sole responsibility of the City, consistent with the needs of the community. Concurrent with its obligations under the Meyers-Milias-Brown Act, the City and the Association will meet and confer at any time prior to any change, revision, or elimination of the structured, synchronized 9/80 work schedule. Failure to reach agreement on any change, revision or elimination of the structured synchronized 9/80 work schedule shall not preclude the City from implementation during the term of this Memorandum of Understanding.

ARTICLE IV – SALARY AND WAGE PLAN

Those hired between January and June shall have the initial \$500 prorated according to the number of months prior to July (i.e., \$500 in January or before, \$417 in February, etc., rounded to the nearest whole dollar). The amount of the allowance will be reported on the employee's first payroll for income tax purposes as required by the Internal Revenue Service.

Upon separation from City employment, employees shall be required to turn-in the uniforms to the Fire Department for reuse/reissue.

The duties of an assigned Deputy Director shall be determined by the Department Director.

ARTICLE V – LEAVES

Vacation Accruals

Employees shall earn and accrue vacation leave time at the following rates:

<u>Following</u>	<u>Vacation Accrual</u>
Initial Hire	80 hours/year (Approx. 3.08 hours/payroll period)
Completion of 3 Years	120 hours/year (Approx. 4.62 hours/payroll period)
Completion of 7 Years	140 hours/year (Approx. 5.38 hours/payroll period)
Completion of 13 Years	160 hours/year (Approx. 6.16 hours/payroll period)
Completion of 16 Years	175 hours/year (Approx. 6.73 hours/payroll period)

In addition to the accrual rates specified above for regular full-time service, Regular Part-time service with the City of Brea, contiguous to and preceding current full-time appointment, will also be used to calculate vacation accrual rates. For each twelve (12) months of Regular Part-time service, one half (.5) year of service will be added to determine the employee's accrual rate (i.e., qualified Regular Part-time service will be credited at 50%).

Part-time service that ended with a break in continuous service, followed by a new

appointment, shall not be included.

Maximum Accrual of Vacation Leave

Employees shall be entitled to accrue a maximum of 400 hours of vacation time.

Buy-Back of Vacation Leave Hours

Upon an employee's written request, the City will buy-back unused vacation hours subject to the following provisions:

- B. The minimum amount of each buy-back shall be forty (40) hours.
- C. An employee must maintain a minimum balance of eighty (80) hours in his/her vacation leave bank.

HOLIDAYS

The City designates twelve holidays per year as follows:

- New Year's Day, January 1
- Martin Luther King's Birthday, 3rd Monday in January
- Presidents' Day, 3rd Monday in February
- Memorial Day, last Monday in May

- Thanksgiving Day, 4th Thursday in November
- Friday after Thanksgiving
- Christmas Eve, December 24
- Christmas, December 25
- New Year's Eve, December 31
- Floating Holiday

A holiday is considered a maximum of nine (9) hours regardless of the employee's work schedule (such as 4-10, 6-12+8, etc.). An employee who works an alternate schedule (i.e. 4-10) will need to supplement his or her holiday with another leave bank (floating, vacation or administrative leave).

Except on those years when Christmas, Christmas Eve, New Year's and/or New Year's Eve fall on a Saturday or Sunday, where it will be more efficient to use the Holiday time to "pay" for the Holiday Closure, if a holiday falls on a Sunday, the Monday following is observed. If a holiday falls on a Saturday the proceeding Friday is observed.

If a holiday falls on a day that an employee is not scheduled to work he or she will receive the equivalent hours (maximum nine (9) hours) in his/her holiday bank. If an employee works on a holiday they will be compensated at his/her regular hourly rate of pay for hours worked. If they work fewer than nine (9) hours his/her time shall be augmented by holiday time up to nine (9) hours and they shall accrue the balance of their nine (9) hours of holiday time. Example #1: An employee works five (5) hours on a holiday. They are paid for five (5) hours of regular time, four (4) of holiday time and they accrue five (5) hours of holiday time. Example #2: An employee works nine (9) hours on a holiday. They are paid for nine (9) hours of regular time and accrue nine (9) hours of holiday time.

Employees shall be in a paid status the day prior to and immediately following the holiday in order to receive holiday pay

Time off taken during any part of the Christmas/New Year's Closure (Holiday Closure) period, as designated each year, shall be accounted for by using Holiday Bank hours to the extent that Holiday Bank hours are available in the employee's Holiday Bank. Vacation and or Administrative leave time may only be used to "pay" for days within the period designated as the Holiday Closure after the employee's Holiday Bank is exhausted.

Floating Holiday. Each employee shall be granted nine (9) hours of floating holiday leave time on July 1 of each fiscal year. This time shall not be carried over from one fiscal year to the next. Newly hired employees shall be granted nine (9) hours of floating holiday leave time if hired between July 1 and December 31 of each year and four and one half (4.5) hours of floating holiday leave time if hired between January 1 and June 30 of each year.

Holiday leave shall not be carried over from one fiscal year to the next, nor may employees convert unused holiday leave to cash except upon termination of employment.

DONATION OF LEAVE TIME

Employees may donate, on an hour-for-hour basis, vacation leave time to other City employees, with a major medical condition, who have exhausted all available accrued leave time due to their major medical condition.

ADMINISTRATIVE LEAVE

Each employee shall be granted fifty-six (56) hours of administrative leave on July 1 of each fiscal year. Administrative leave is in recognition that Brea Management Association (Non-Safety) employees who, being exempt under the FLSA, are expected to work hours in excess of their normal work schedule. Administrative leave shall not be carried over from one (1) fiscal year to the next, nor may employees convert unused administrative leave to cash. Employees who are promoted, reassigned, or are new hires to the Brea Management

Association (Non-Safety), shall be granted administrative leave on a prorated basis for the remainder of the fiscal year. The City Manager may authorize additional compensatory leave at his/her discretion. Administrative leave may only be taken subject to the prior approval of the Department Director.

SICK LEAVE AND BEREAVEMENT LEAVE

Sick Leave

Employees shall earn eight (8) hours of sick leave per month. Sick leave shall be earned, commencing on the first day of employment, and shall accrue on a bi-weekly basis.

Personal Medical and Dental Appointments

Subject to the approval of the Department Director and/or his/her designee employees may utilize sick leave for personal medical and/or dental appointments.

Sick Leave Authorization Due to Death or Illness in the Immediate Family

An employee shall be allowed to use up to a maximum of forty-eight (48) hours of sick leave per calendar year due to death or serious illness in the immediate family. Immediate family as used in this Section is limited to: the employee's parents and grandparents (natural, adoptive, foster, by marriage or legal guardians), current spouse, registered domestic partner, children and grandchildren (natural, adoptive, foster, or by marriage or domestic partnership), parents-in-law (or by domestic partnership), siblings, and siblings-in-law (or by domestic partnership). In the event of death in the immediate family, a death certificate or other acceptable evidence may be required by the Department Director before the sick leave is allowed. In the event of a serious illness in the immediate family, a medical certificate from an acceptable medical authority regarding such illness and an explanation of the need for the employee's absence may be required by the Department Director. Such leave may take travel time into consideration. The amount of sick leave used in either of these two (2) circumstances shall be reported on the appropriate leave request form.

Notification to Supervisor

Any employee needing to be absent because of sickness or other physical disability shall notify the Department Director or immediate Supervisor at least one day prior to such absence if circumstances permit, or as soon thereafter as possible. Any employee falsifying a reason for sick leave shall be subject to discipline, up to and including termination.

Bereavement Leave

An employee shall be allowed three (3) days of bereavement leave for each incident of a death of an immediate family member as defined above. This three (3) days of bereavement leave is in addition to the annual sick leave which an employee may use for death in the

immediate family.

Sick Leave Conversion

Upon an employee's written request, the City will convert twenty (20) hours of his/her accrued sick leave to administrative leave subject to the approval of the Human Resources Manager and the following provisions:

- A. The employee must have accrued a minimum balance of 875 hours of sick leave in his/her sick leave bank at the time of the request.
- B. The conversion of sick leave hours to administrative leave time may occur only one (1) time per fiscal year per employee.
- C. The use of sick leave hours converted to administrative leave shall be subject to the Administrative Leave provisions of this Agreement.

OTHER LEAVES

Leave of Absence Without Pay

The Department Head or designee may grant leaves of absence without pay for a maximum of ninety (90) working days to an employee if the circumstances of the particular case warrant such leave. An employee, not under suspension, may make application for leave without pay after all available leave benefits, including vacation, administrative leave, holiday leave time, Family Care Leave, and sick leave (subject to eligibility to use sick leave) and any other leave benefits have been completely used. No employment or fringe benefits such as sick leave, vacation, retirement, or any other benefits shall accrue to any employee on leave of absence without pay; except however, the City will continue to pay the employee's medical insurance up to the current maximum allowable under the current Flexible Benefit Plan for a maximum of three (3) months during any one leave in any twelve (12) month period while an employee is on authorized leave.

Prior to the end of a leave of absence without pay, if the employee desires additional leave, written application must be made to the City Manager stating the reasons why the additional leave is required and why it would be in the best interest of the City to grant such additional leave of absence. If, in the City Manager's opinion, such additional leave is merited and would still preserve the best interests of the City, he/she may approve such extensions of leave of absence for a period not to exceed an additional ninety (90) working days. If the employee does not return to work prior to or at the end of such leave of absence or extension of leave of absence, the City shall consider that the employee has terminated his/her employment with the City.

An employee on leave of absence must give the City at least a seven (7)-day written notice of the employee's intent to return to work.

Any employee who engages in outside employment during said leave of absence without prior notification and approval of his/her Department Director shall be subject to discipline. Any employee who falsifies the reason for the request for said leave of absence may be subject to disciplinary action.

ARTICLE VI – FRINGE BENEFITS

Flexible Benefit Plan

The City's Flexible Benefit Plan shall include for the employee and eligible dependents, City sponsored health insurance plans including medical insurance, dental insurance, and optical insurance. The Flexible Benefit Plan shall also include, for employees only, education reimbursement as permitted under federal tax law, short-term disability insurance, optional life insurance, and deferred compensation.

Effective January 1, 2016, the maximum Flexible Benefit contribution for employees enrolled in a City sponsored medical plan shall be:

Single employee	\$750 per month
Employee plus 1 dependent	\$1,225 per month
Employee plus 2 or more dependents	\$1,450 per month

For employees hired prior to January 1, 2016, in the following classifications who have elected coverage in the employee only and employee plus 1 dependent level, the City shall contribute \$100 additional dollars per month towards their Flexible Benefit Plan coverage:

Community Services Manager, Human Resources Manager, Communications and Marketing Manager, Maintenance Services Supervisor and Financial Services Manager.

Any changes to the Flexible Benefit Plan status of the above mentioned classifications shall result in the forfeiture of the additional \$100 monthly contribution offset.

Employees hired to full-time benefited positions with Brea prior to April 1, 2006, who have either opted out or enrolled in a medical plan with a premium less than \$650 will continue to receive a \$650 contribution. Employees hired on/after April 1, 2006, shall receive the amount shown for the plan level in which they have enrolled. Those hired on/after April 1, 2006, who opt-out of a medical plan will receive \$325 per month.

Employees who do not use the full amount of the Flexible Benefit contribution for optional benefits provided herein may elect to receive the remaining amount as taxable cash in the regular payroll, or to deposit the amount in a deferred compensation (457) plan.

Should the total cost of premiums for benefits selected under the Flexible Benefit Plan exceed the City's monthly contribution, the overage will be paid by the employee via payroll

deductions. The City will continue to pay the one-half percent (1/2%) administrative fee for the CalPERS Health Insurance Program medical insurance plan. If the administrative fee increases, the City shall meet and confer on the increase.

Retiree Medical Benefit

Within the monthly contribution amounts listed above, \$335 is considered to be the City's contribution toward the CalPERS Health Insurance Program for medical insurance and shall be reported to CalPERS as such. This \$335 shall be the City's contribution toward retiree medical insurance coverage. There is no opt out value for retiree medical. The parties intend that the entitlement to receive a retiree medical benefit of \$335 per month is a vested benefit for all employees hired by the City on or before June 30, 2017. The inclusion of this vesting language is to comply with the Supreme Court's decision in M&G Polymers v. Thackett, 135 S.Ct. 935 (2015), requiring that the intent to vest a benefit be explicitly set forth.

Effective June 30, 2017, for all new employees hired and subsequently retired from the City, the City's medical contribution towards retiree health insurance shall be the CalPERS Public Employees' Medical and Hospital Care Program (PEMHCA) minimum (as determined by CalPERS on an annual basis), not to exceed the actual cost of the plan selected. (PEMHCA minimum will be \$128 in calendar year 2017).

While participating in the CalPERS Health Plans during the term of this Agreement, should CalPERS or legislative acts redefine the designated contributions for retirees to include Flexible Benefit Plan contributions, the parties will meet and confer on an alternative method of funding active employee benefits.

Life Insurance

The City shall provide each employee with a term life insurance policy with a benefit equal to one times the individual employee's annual salary. An employee may purchase additional (optional) life insurance coverage at his/her own expense.

Long-Term Disability Insurance Plan (LTD)

The City shall provide Long-Term Disability Insurance benefits for all employees who have completed an initial probationary period and during the term of this Memorandum of Understanding.

Effective for qualifying illnesses or injuries occurring after November 1, 2008, Long-Term Disability (LTD) benefits shall equal 66-2/3% of the employee's basic monthly earnings, reduced by any deductible benefits as described in the Plan Document. For the purposes of this benefit, "basic monthly earnings" means the regular salary range step amount applicable to the affected employee (which includes certification pay and/or Bilingual compensation, if applicable), exclusive of overtime or intermittent additional compensation that may be paid in any pay period. No benefits shall be payable for the first sixty (60) calendar days of each period of total disability, or the end of the period of accumulated paid

sick leave to which the employee is entitled under the City's sick leave program, whichever is longer. After LTD benefits commence, the employee may elect to use any remaining paid leave (vacation or other accumulated leave) to supplement such benefits during the term of illness or injury leave. The amount of supplementation, in conjunction with the LTD benefit payment, shall not exceed the employee's normal payroll for the period.

Section 125 Program

The City has implemented an Internal Revenue Section 125 program which allows employees to allocate specified amounts of monthly pre-tax salary or wages for the reimbursement of health care expenses or dependent care expenses, or both. Employees who choose to participate in the program shall pay all program administration costs and/or fees.

Deferred Compensation

Employees may defer wages under the City-sponsored deferred compensation program.

Retirement Health Savings Plan (RHSP)

Contributions to an RHSP must comply with the mandatory contribution provisions provided under IRS regulations. City and Association may create or amend contribution provisions prospectively to comply.

Effective July 1, 2009:

- A. A member of the Association who retires under CalPERS from the City of Brea with (a) ten or more years of service in Brea and (b) an accumulated vacation leave balance, at the time of separation, greater than 100 hours, shall have 100% of the accumulated vacation converted to an employer contribution to the RHSP. The amount of contribution shall be the employee's hourly rate of pay multiplied by the number of vacation hours eligible under this provision.
- B. Members of the Association with less than twenty-seven (27) years of service to Brea shall contribute \$50 per month to the RHSP.
- C. Members of the Association with twenty-seven (27) or more years of service to Brea shall contribute \$150 per month to the RHSP.

Purpose and Eligibility Criteria

The City and Association have agreed to implement a Performance Award Program for qualified Association employees at top step of their salary range.

The Performance Award Program for Association employees recognizes outstanding work on a project by one or more employees, which goes beyond normal expectations of excellent job performance. The program contains various levels of recognition depending on the scope and impact of the project on the City or department.

Performance Awards should be indicative of extraordinary job performance in an employee’s assigned area of responsibility or excellence in an area that is outside of the

employee's normal job duties.

Eligible employees are those who are in leadership positions and who manage other employees or programs and have significant influence on the achievement of organizational objectives and City Council priorities.

The City will consider the following factors in establishing and maintaining a Performance Award Program:

1. The program gives the City the flexibility to reward exceptional managers at top step above the median of the labor market.
2. The City wants to encourage and reward exceptional performance.
3. The program is cost effective in that the Performance Award Program is not built into the base salary of the Association employee for future years and is not subject of CalPERS contributions.
4. The program improves the City's ability to recruit and retain quality Brea Management Association employees.

The goal of the Performance Award Program is to reward exceptional performance by employees in the Association. The program connects individual achievement to organizational and/or department goals and provides incentives for performance. Department Directors will consider one or more of the following traits when reviewing awards:

Highly innovative employees

Entrepreneurial approach to management

Integrated into the City of Brea Community

Ability to work across City departments (working groups)

Demonstrates the collaborative model within their work practices

Strong interpersonal relationships with colleagues

Highly self-motivated and strong leadership skills

Demonstrates creativity in management of programs

The Performance Award Program shall not change in anyway an employee's ability to meet the core expectations of their job. The program is intended to reward performance that goes far beyond what is normally expected from each employee.

Compensation

The City of Brea agrees to compensate exceptional performers in the Association up to

five percent (5%) [starting at 1% minimum and increasing in increments of half a percent (0.5%) thereafter, up to a maximum of 5%] of base salary. Such compensation shall be considered a one-time bonus or incentive pay (non-PERSable) and shall occur at the end of the fiscal year. Only those employees that have reached the top step in their salary range shall be eligible for a performance award program payment provided that the employee has worked at least six (6) months at top step of the salary range.

The City and Association will meet to adjust the program schedule in order to more easily determine availability of funding for the program. The City and Association will meet no later than February 1 of each year to make a preliminary determination of the availability of fund for the program. If it is anticipated that funding will be available, an evaluation of each Association employee shall occur no later than May 1 of each year and so on from here based on the schedule described below.

It is anticipated that there will not be sufficient funding for the term of this MOU; however, the City and Association agree to meet no later than February 1, 2018, to make a final determination.

When a Department Director evaluates an employee, he/she shall obtain a self-review evaluation from the employee prior to submitting consideration for Performance Award Program recognition.

An evaluation of each Association employee shall occur no later than May 1st of each year. Once the evaluation is conducted, the Department Director of each eligible Brea Management Association employee shall notify him/her of the status of their performance award and have the Department Coordinator process a Personnel Action Form (PAF), if applicable, by May 15th of each year. A copy of the Performance Award Program evaluation shall be provided to each employee by the Department Director. Payment of the one-time performance award, if applicable, shall occur during the first full pay period on or after June 1st of each year. The performance award is subject to customary withholdings, and will be paid during a normal pay cycle. This payment shall not be subject to CalPERS contributions.

Evaluation

The Performance Award Program review cycle is aligned with the fiscal year. It shall consist of an annual performance review conducted by the Department Director in collaboration with the City Manager. The director shall evaluate each member of the Brea Management Association in their department each year in May.

A Brea Management Association Performance Award Program evaluation shall be completed for each eligible Manager by the respective Department Director and submitted to the City Manager for final review and approval. If necessary, the City Manager may decide to include other Department Directors in the evaluation process.

There shall be no limit to the number of awards given out, nor to the amount of each of

the awards given up to a maximum of five percent (5%). Performance measures will be evaluated by category as follows:

1. Employee demonstrates exceptional individual performance on a project. The employee receiving this award is one who has used strong leadership skills in carrying out a major project over an extended period of time. The project had a significant impact on the City.
2. Employee demonstrates excellent individual performance on a project. The person receiving this award is one who has used strong leadership skills in carrying out a major project over an extended period of time. The project had a significant impact on the majority of City departments or the City.
3. The award recognizes the achievements of one or more individuals who have worked together to carry out a major project over an extended period of time. The project generally had a significant impact on multiple departments and often impacted the City.
4. Recognition of a larger group effort where each individual had a part in completing a major project task over an extended period of time. The project impacted the employee's department significantly and often had an impact on the City.
5. The overall performance of the employee significantly exceeded or consistently met the standards and expectations outlined by their supervisor.

ARTICLE VII - PROFESSIONAL DEVELOPMENT AND TECHNOLOGY REIMBURSEMENT

In addition to training provided by the City, each employee shall be eligible for reimbursement for college level coursework and the purchase of technology (computer-related hardware or software) compatible with City systems. Education reimbursement monies shall only be applied to the verified cost of tuition, registration, course-related books, parking and laboratory fees for the approved education program. In order to be eligible for education reimbursement for college coursework as described herein employees must have attended a college or university accredited by the Western Association of Schools and Colleges (WASC) or an equivalent accrediting organization. Tuition shall not be granted for on-line attendance or other attendances at what are referred to as "degree mills." For purposes of this MOU only, a "degree mill" is an organization that awards academic degrees and diplomas with substandard or no academic study and without recognition by official educational accrediting bodies. These degrees are often awarded based on vaguely construed life experience. Some such organizations claim accreditation by non-recognized/unapproved accrediting bodies set up for the purposes of providing a veneer of authenticity. In order to be eligible for reimbursement, employees are required to submit a

request for Education Reimbursement prior to completing the courses or program and obtain approval from the respective Department Director or his/her designee. Proof of completion of the approved education program or college course work shall consist of a certificate of completion, or other verification of participation, or a college transcript showing a letter grade of "C" or better, or in cases where no letter grade is given, a certificate of completion or written proof that the college course work was completed in a satisfactory manner. Upon completion of the approved program, requests for reimbursement must be submitted to the Department Director (or his/her designee) and must be accompanied by a receipt for all eligible expenses incurred.

Reimbursements from Other Sources

If an employee receives tuition payments or refunds for college-level course work from other sources, the City will contribute the difference between the amount the employee receives from the other source and the authorized costs incurred by the employee to the maximum amount cited below.

Reimbursement Schedule

The amount of education reimbursement available annually to each employee shall be \$2,500 for the twelve (12) month period from September 1 through August 31. Up to 20% of the annual amount (i.e., \$500) may be used for non-college education, training and professional development programs. Up to \$250 of the \$500 allotted for annual professional development amount may be used for technology reimbursement. Requests for reimbursement for completed education programs will be paid for the twelve (12) month period (September 1 through August 31) in which the requests receive final approval by the Human Resources Manager.

If the amount incurred *and* submitted for reimbursement for eligible college coursework in any year exceeds the \$2,500 annual maximum, the employee may elect to carry-over the excess amount to be reimbursed in the next eligible year and paid as part of that succeeding year's annual maximum reimbursement of \$2,500.

Each employee shall also be eligible to participate in an intensive or condensed degree program on a one-time basis in lieu of the annual course reimbursement described above. Such program, which is designed to achieve approximately two years of classroom education within a one-year time frame, may result in expenses exceeding the annual reimbursement amount. An approved course of study in an intensive or condensed semester or degree-achievement format shall be eligible for reimbursement up to the annual maximum \$2,500, paid over a four-year period to a maximum of the actual eligible costs, or \$10,000, whichever is less. The employee must submit proof of successful course completion, and proof of payment of tuition and costs, to be eligible for reimbursement under this provision before the annual reimbursement payments will be made.

Professional Membership

The City may allow for the payment of membership dues in professional organizations when such membership is of mutual benefit to the employee and the City.

ARTICLE VIII – OTHER PROVISIONS

Substance Abuse Policy

It is the responsibility of all affected employees to cooperate to protect the lives, personal safety and property of co-workers and fellow citizens. The parties hereto and all affected employees shall take all reasonable steps to accomplish these goals and to minimize potential dangers.

It is in the best interest of the City, the Association, employees and the public to ensure that employees do not appear for work under the influence of drugs or alcohol, or possess illegal substances or alcohol while at work, because such conduct is likely to result in reduced productivity, an unsafe working environment, poor morale and increased potential liability to the City. "Under the influence of drugs" means the knowing use of any illegal substances or knowing misuse of a prescribed drug in a manner and to a degree that substantially impairs the employee's work performance or the ability to use City property or equipment safely.

The City pays for a counseling service for employees who have problems with drugs and/or alcohol. The City and the Association agree that every effort shall be made by the City to refer employees who have such problems to this counseling service for assistance.

The City shall, upon showing of reasonable suspicion that this policy is being violated, compel an employee who appears to be unable to perform any portion of his/her job to submit to a medical examination on City time and at the City's expense, which includes drug or alcohol screening. Refusal to submit to the test may be deemed insubordination and may subject the employee to discipline, up to and including termination. Nothing contained herein shall limit the City's right to discipline or discharge any employee.

The City shall provide training to employees and supervisors to assist them in detecting employees with possible drug or alcohol problems.

Emergency Medical Services Manager City Designation

It is understood that the classification of Emergency Medical Services Manager will be a Brea City employee but will coordinate Emergency Medical Services for both the City of Brea and the City of Fullerton.

ARTICLE IX – LABOR MANAGEMENT RELATIONSHIP

The City agrees to work with the Association to establish a labor management committee to discuss issues of mutual concern as needed.

ARTICLE X – MOU CONTRACT PROVISIONS

ENTIRE MEMORANDUM OF UNDERSTANDING

It is the intent of the parties hereto that the provisions of this Memorandum of Understanding shall supersede all prior agreements and memoranda of agreement, or memoranda of understanding, or contrary salary and/or personnel resolutions or Administrative Codes, provisions of the City, oral or written, expressed or implied, between the parties, and shall govern the entire relationship, and shall be the sole source of any and all rights which may be asserted hereunder. The City reserves the right to determine if, when and where layoffs may occur, but will meet and confer regarding the impact of such layoffs and bargaining unit members.

SEVERABILITY

Should any provision of this Memorandum of Understanding be found to be inoperative, void or invalid by a court of competent jurisdiction, all other provisions of this Memorandum of Understanding shall remain in full force and effect for the duration of this Memorandum of Understanding.

TERM OF MEMORANDUM OF UNDERSTANDING

This agreement shall become effective July 1, 2017, and shall remain in full force and effect through June 30, 2018.
