Let's make soap!

Learn how to make your very own natural soap with instructor Felicia Ceballos-Marroquin from Spiffy Rebel! Students will learn all the necessary steps to create their very own soap at home for themselves or to give as a beautiful handmade gift. This class will cover the cold-process technique of soap making including all necessary safety precautions and procedures. Pants, long sleeve shirts or sweaters, and close toed shoes are required for safety. All materials will be provided.
